PERSONAL AND POLITICAL.

PERSONAL AND POLITICAL.

C. A. FYFFE, the author and historian of "Modern Europe," died in London recently. The cause of his death is directly attributable to the mental and physical depression from which he suffered as a consequence of being falsely charged with a nameless crime about a year ago, and the attempt at suicide which he made at that time.

The retirement of Gens. John M. Schofield and O. O. Howard will take out of the active service, it is said, every regular army officer who commanded a corps during the civil war.

Instructions with New Yorkers show that the democratic contest in that state will certainly be carried to the Chicago convention.

Miss Frances Willard declares that the prohibition party will have its own PERSONAL AND FOLITICAL.

C. A. Fypre, the author and historian of "Modern Europe," died in London recently. The cause of his death is directly attributable to the mental and physical depression from which he suffered as a consequence of being falsely charged with a nameless crime about a year ago, and the attempt at auicide which he made at that time.

the prohibition party will have its own na ional ticket in the field next fall. THE people's party national conven-tion has been called for Omaha, Neb.

July 4 next. Ratification meetings are fixed for the last Saturday in March.
THE Kansas G. A. R. has elected Albert Green department commander by sixteen majority over O. H. Coulter.

Wirn solemn and imposing cere-nonies, Rev. Dr. Horstmann, of Philadelphia, was consecrated Roman Catholic bishop of Cleveland, O.
Gov. Russell, of Massachusetts, will

go to the Chicago convention as the guest of the delegation from his state. A Rome correspondent says that the pope is preparing an address to be de-livered on the anniversary of his coronation. In this he will decline to abandon his rights over Rome, but otherwise the address will be conched in a moderate tone; owing to the improved relations between the vatican and the quirinal.

AT the trans-Mississippi congress, Col. A. C. Frisk, of Colorado, delivered an address on the silver question, ad-vocating free silver and ex-Gov. Anthony of Kunsas spoke against free coinage. He favored a full weight dollar, urging the country's debts must be paid with honest money. Mr. Pat erson of Colorado in a brief address replied to Gov. Anthony and denied that the west favored free silver because it would benefit the west to the detriment of the other sections.

Contact.
THE Mexican Veterans' association of Vernon counts held their annual meeting in Nevada recently. But ten members now survive and their average age is seventy-two years. Col. W. J. Stone and others addressed the Stone and others addressed them, and a banquet was served.

THE attorney-general has filed before the supreme court a motion for a writ of quo warranto against the Kansas City commercial exchange, the application being based upon the allegation that the exchange "has been inspecting grain in defiance of the state grain

RICHARD CULLEN and his mother have en arrested at Marshfield for kidnaping and murdering a four-year-old ndopted child of Hiram Smith. The body was found in an abandoned well with a car link around its neck. It is said that Smith intended to make the child his heir, and thus shut off Cullen,

ADELHERT D. SLYE, the self-confessed Glendale train robber, appeared in court at C ayton on the 23d to receive the sentence of Judge Edwards for his crime. Without ceremony his doom was pronounced—twesty years in the state penitentiary. Siye admits that Francis, the robber killed at Fert Sc .tt, Kan., was one of the Glendale

gang.
Dn. E. T. BREEDLOVE, thirty-five years old, shot and killed himself in the presence of his friend, I. N. Judson, at St. Louis the other day, because, he declared in a letter, that he was so devoted to his friend that he could not live with at him. His inten-tion was to kill Judson, but in the wisdom of his folly he fortunately only

PRESIDENT JESSE, of the state university, delivered an address to the members of the legislature the other evening. The hall of the house was crowded. He recommended that the legislature appropriate 8250,000. This, with a like appropriation next winter, and with the insurance money, would make a sum ample to replace the burned structure.

volver in the hands of Jessie May a sixteen-year-old girl, Samuel Hall, a miner, was seriously and perhaps fatally wounded at Webb City the other day. He was in his boarding house across the street from the place where the revolver was discharged, and the ball passed through the side of the house before striking him.

NEAR Frazer the other morning William Anderson and Mortimer Shockley, step-brothers, quarreled over the division of a deceased relative's wealth, when Shockley seized and ax and started after Ander on, knocking him down. A desperate fight ensued, when Anderson got hold of a gun and shot Shockley, inflicting a wound which it

was thought would result fataily. THE twenty-third annual report of the state board of agriculture has been issued. As required by law, fifty copies have been sent to each of the county clerks of the state, and fifty additional copies will be sent to members of the general assembly for distribu-tion to the farmers of their respective counties. The remainder of the 20,000 copies will be distributed among those who shall request them. The volume comprises 800 pages and contains a large amount of agricultural information of value to the Missouri farmer and home seekers of other states.

THE saidle horsemen of Missouri held ameeting at Mexico the other day, formed an association and elected offi-cers as follows: T. S. Harrison, of Auxva-se, president; Henry R. Walker, Pleasant Green, vice-president; J. A. Potts, Mexico, secretary; R T. Free-man, Mexico, treasurer. The follow-ing gentlemen were elected to not with the president, vice-president and secre-tary as executive committee: A. J. Blake, of St., Louis, and L. M. Mon-sees, of Smithton. The executive committee was then authorized to offer a sweepstake preumium during the pres-ent year to be shown under the management of some county fair of the

GOY FRANCIS has offered a reward of \$300 for the apprehension and conviction of the perpetrator of the horri-ble outrage on Mrs. Taylor of Sedalia. This is the maximum reward that the governor can offer for the capture of a criminal. This in addition to that offered by the citizens of Sedalia, makes a total reward of \$1,800.

MIKE TURNER, a drayman, went into a drug store at Schell City the other day and while the clerk was waiting on a customer, drank two ounces of aco-nits by mistake, which he mistook for whisky. Medical aid was at once sum-moned and he was in a critical con-dition, with little hope of recovery. MISSOURI LEGISLATURE.

Extra Session

TUESDAY, PERSUARY 23. Senate—The squate was in sension only fifteen minutes, and but little business of importance was transacted. Adjourned till the 24th.

House—Most of the day was taken up in the university controversy. Mr. Lyman introduced a bill appropriating \$5,000 for per diem and mileage of the members of the general assembly and \$10,000 for contingent exponses. Adjourned till the 24th.

bly and \$10,000 for contingent exponses. Adjourned till the Fith.

WEDNIEDAY, PERRUANY 24.

SENATE—Mr. Stone introduced a resolution for the appointment of a special committee of seven to consider all matters pertaining to the university, including removal of the institution from Columbia Mr. Cochran moved to table the resolution, which was lost. Further con-deration of the resolution was postponed until the 20th. After other husiness of slight importance, during which the chair rated the McGinness bill, directing the fond commissioners to cancel a certificate of indebtedness for \$10,000 held to the credit of the State university to rotained at Columbia, and against Carter county being taken out of the twenty-third district.

Mr. Donnell's resolution, left over from last wack, was taken up with amendinents and a substitute. The resolution pledges the house not to appropriate a dollar for rebuilding the State university until the questions of location is settled. The amendments and substitute.

A roll-call followed and the resolution was adopted.

CONGRESS.

The Week's Proceedings Condensed For Convenience of the Reader.

AFTRIL a three days rocess the attendance in the senate on the 25d was light. A memorial was presented from the miners' convention of San Francisco on the subject of hydraulic mining and assing an appropriation for certain purposes. A resolution was adopted calling on the secretary of agriculture for a copy of the reast on rain experiments. A number of bills on the private calander were then taken up and passed and the house bill permitting depositions is United States courts to be taken under state laws passed. The pure food bill was then considered at some length, Mr. Paddock making a speech in favor of it. Adjourned after an executive resiston. The house was called to order by the chief clerk, who announced the continued illness of the speaker, and Mr. McMillin (Tonn.) was chosen speaker pro tem. No business was transacted except that of a routine character and the house soon adjourned.

In the senate on the 25th Mr. Morrill reported adversely from the finance committee Mr. Coke's 18th to amond the laws in relations we have the senate on the 25th Mr. Morrill reported adversely from the finance committee Mr. Coke's 18th to amond the laws in relations when the senate tool up the Idaho contexted case, but adjourned without action. The Indian appropriation bill continued to occupy the attention of the house. A resolution by Mr. Tarsney (Mo.) authorizing an investigation of the effect of the eight-hour law was adopted, and the remainder of the reasting was present to the the state tool whole.

When the senate met on the 25th the report

Within the senate met on the 25th the report on rain fall asked for was presented by the agricultural department and referred. Several petitions were presented and the resolution maintine Mr Chappert, the contestant of the scat of Mr. Indones from Idaho, the right to the floor to speak pending the contest was agreed to. Mr. Hate's resolution offered in January for copies of redirectly agreements under the last tariff act was taken up and a long debate followed. The Idaho contest was then debated until addormment. The whole day in the house was constanted in a hot pullical debate on the contested case of Craig against Stewart from Penesylvania and after two hours of

political sporting the house adjourned without final action.

Whith the senate met on the 25th the presiding office laid before the body the message of the possish in in record to the claims of the Whelita Indians in Oklahoma. A conference was ordered on the census deficiency bill. The Idaho election case then came up and Mr. Claggett spoke for two hours in support of his case. The case went over and the senate adjourned until Monday. After disposing of routine business the house resumed the Pennsylvania contest of Craig against Stewart. After further discussion the contestent, Craig, was declared entitled to the scat and was sworn in. The bill for the relief of Aquilla Jones, late postmaster at Indianapadis, then passed. The conference report on the deficiency bill was agreed to. At the evening session penden bills were considered.

This schale transacted no business on the Still, the Clargett Dubois contest from Idaho still being under discussion... The house further considered the Indian appropriation dil. After two hours debate an amendment offered by Mr. Bowers (Cal.) that the president might appellat arms offerers to act as Indian agents when vacancies should occur was adopted. Also an amendment by Mr. Holman was adopted that such officers, when so employed, should be under orders from the secretary of the Interior. During the delate Mr. Simpsen (Kan.) favored it became this was the first time that he had heard an excuss for the existence of an army in this country. Here was a preposition to put the army in some useful employment and to take political strikers out of office. Pending debate the house adopted my Jones in arms of the secretary of the countries to the house adopted. We this introduced a bill to ameni the pension laws. It proposes to pay the pensions of persons who desert their familles to take political strikers out of office. Pending debate the house adopted amplitude of a legal tender delair. Mr. Vilas introduced a bill to ameni the pension and then adjourned. The house adopted mr. Dockery' rules reported axing the silver debate at March 2. 23 and 24. The house then went into committee of the whole (Mr. Bynum of Indiana in the chairs on the Indian appropriation bill, when Mr. Housen moved amendments making the appropriation for the Carliele school available for the pupple now in attendance. This was rejected. Pending action the committee rose and the house adjourned.

BOXING MATCH AT WEST POINT.

In Which the South Dakota Man is Worst-NEW YORK. Feb. 27.-Ever since he onned the West Point uniform Cadet James Wallace Broatch, of South Da-kota, has been given the palm as a boxer at the famous academy, but he is now lying battered and bruised in the academy hospital, having been in-gloriously dethroned last Sunday by Calet Albert E. Saxton, a San Fran-

cisco man. Saturday evening the two had a dis-pute about a lady and a challenge fol-lowed and Sanday afternoon in the cellar under the "day room" the two met. Each brought two friends. They stripped to the waist and at it they went. Three rounds were fought. In the first Saxton was severely punished and Broatch was without a scratch. The third round lasted five minutes. Broatch lay bleeding on the cellar floor. He was unconscious and his

seconds feared be was dead. The news spread like wildfire throughout the academy. All the ca-dets were glad that the boss boxer had been whipped, but, their sympathy went out to him when they saw the blood gushing from two ugly wounds. He was so chagrined at having been beaten by Saxton that he cried like a
